

MDC INTERNATIONAL RESEARCH CONFERENCE 2022

ONLINE CONFERENCE INVITATION

You are invited to MDC International Research Conference, which comes up on the 19th to 21st October 2022. The Theme of the conference is “**Research and Application of Artificial Intelligence for Sustainable Development**”. It will commence with a workshop on the 19th of October, 2022.

The conference provides a platform and opportunity for the international community to air their views and also share proven and innovative ideas on how the application of Artificial intelligence can lead to sustainable development. It will also create a global forum for participants to work in collaboration towards achieving their desired goals in the fields of education, management, business, production and provision of service. This will help them in improving on both their intellectual status and economic policy formulation and implementation.

INVITED PAPERS

Invited papers for presentation are:

- Application of Artificial Intelligence in Health Sciences
- Neurostatistics and its application
- Artificial Intelligence in Mathematical Modeling

Topics include, but are not limited to:

<ul style="list-style-type: none">• Artificial intelligence in Engineering Technology• Artificial intelligence in Education• Artificial intelligence in Technology and Innovations• Artificial intelligence in Business• Artificial intelligence in Social sciences• Artificial intelligence in Politics and governance• Artificial intelligence in computing techniques• Artificial intelligence in crime control• Artificial intelligence in Arts and Humanities	<ul style="list-style-type: none">• Artificial intelligence in Mathematical sciences• Exploratory Data Analysis and Multivariate strategies• Law and Artificial intelligence• Environmental issues and challenges in a modern world• Artificial intelligence as a veritable tool for quality research• Scientists and Research and modern scientific strategies• Artificial intelligence for business growth• Artificial intelligence for industrial development• Artificial intelligence in management sciences• Artificial intelligence in medical Science
--	---

WORKSHOP: Data Science and its Application

PAPER SUBMISSION GUIDELINE:

Papers to be submitted should adopt the same template as MDC Journals. Visit <http://www.mdcjournals.org/paper-submission-guidelines.html> for details.

All presentations are oral; however participants unable to attend can submit their full papers and make their full registration/payments. Their papers if accepted will be published along with others presented.

Deadline: Abstracts and full paper submission should be done before 30th of August, 2022

REGISTRATIONS / PAYMENTS

	Before 30 th of June, 2022	After 30 th of June, 2022
Participants		
Participant with one paper	\$200 (USD)	\$300(USD)
Extra paper submission	\$100 (USD)	
Participant without paper presentation	\$100 (USD)	\$150 (USD)
Institutions/Corporate bodies	\$300(USD)	\$400(USD)
Students (With evidence)	\$50 (USD)	\$100(USD)
Workshop	\$100 (USD)	\$150 (USD)

Bank Details: Bank: United Bank for Africa PLC. Sort Code: 033250843

Account Name: MERC DATA CONSULTING. **Account Number:** 1018345332

Note: Payments made are for conference materials, certificate of presentation or participation (for attendance only) and journal publication. Proceedings / programme for the conference will be made available before the date of the conference for registered members. Joining link will be shared for registered members only.

Participants who want to preside over a session should indicate their interest. Certificates will be issued to individuals who presided over a session.
